### **EXAMINER'S AMENDMENT**

1. This Office action is responsive to the Request for Continued Examination (RCE) filed under 37 CFR §1.53(d) for the instant application on 12/02/05.

Applicants have properly set forth the RCE, which has been entered into the application, and an examination on the merits follows herewith.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

3. Authorization for this examiner's amendment was given in a telephone interview with Applicant's representative Donald Hendricks on 02/16/06.

4. In the drawings:

Applicant agrees that the formal drawing set will be filed upon receiving the Notice of Allowance.

Applicant also agrees that Fig. 5 of the formal drawing will include the following change:

In regard to section 1 for image A, replace "Total Score 112" with "Total Score 142".

5. In the specification:

On page 7, line 21 of the Application as filed, after "In a preferred embodiment" and before "36 also takes into account", please replace "step, the" with ", step".

Art Unit: 2173

On page 11, line 17 of the Application as filed, after “once for a total score of” and before “. In Session 1, for image B”, please replace “112” with “142”.

On page 11, line 18 of the Application as filed, after “score of six, viewed the image” and before “, edited it once, and printed it”, please replace “twice” with “five times”.

6. In the claims:

The Claims have been amended as follows:

Claim 4. The method of Claim 1, further comprising the steps step of:  
~~— assigning scores to each of said digital assets based on said use of said~~  
~~digital assets;~~

re-ranking said digital assets only if a score of a first digital asset exceeds a score of a second previously higher ranked digital asset by a predetermined threshold.

Claim 6. The method of Claim 5 1, ~~further comprising the step of:~~  
wherein at least one of said accessed digital file assets comprises a digital  
image, and wherein said transporting comprises any of ~~assigning scores for~~  
~~viewing, editing, and transmitting or~~ and ~~receiving a~~ said ~~digital image, said~~  
~~ranking step comprising the step of processing at least one of said assigned~~  
~~scores.~~

Claim 12. A system for managing a plurality of digital assets, comprising:

Art Unit: 2173

a memory for storing a plurality of digital assets;

a processor in communication with said memory for manipulating said plurality of digital assets;

means for monitoring access to said digital assets by a user;

means for identifying one or more types of manipulation of said accessed digital assets by a said user associated with said monitored access, wherein said types of manipulation comprise any of passive playback, passive viewing, activation, sharing, transporting, and editing;

means for assigning a score based on each identified type of manipulation by said user associated with said monitored access;

a ranking module in communication with said score assignment means to rank said digital assets based on accumulation of said assigned scores; and

means for hierarchically storing said ranked digital assets in said memory based on said rank of said digital assets, whereby higher ranked digital assets are more easily accessed from said memory by the same said user than lower ranked digital assets.

Claim 18. The system of Claim 12, wherein said digital assets stored in said memory comprise digital images, ~~said ranking module being configured to use scores assigned to said digital images to calculate a ranking of said digital images, said scores being based on specific user manipulations of said digital images, and wherein said transporting comprises~~ comprise any of editing, ~~viewing, and transmitting or~~ and receiving of said digital images.

***Allowable Subject Matter***

7. Claims 1-21 and 26-37 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 12, and 26, the prior art of record do not teach or suggest "assigning a score based on each identified type of use by said user" and "ranking" digital assets based on "accumulation of said assigned scores" such that "highly ranked digital assets are more easily accessed from said memory by the same said user than lower ranked digital assets" in specific combinations recited in independent claims 1, 12, and 26.

Regarding independent claims 32 and 35, the prior art of record do not teach or suggest "assigning a first score to a Uniform Resource Locator (URL) based on the length of time spent by said user visiting Web page represented by said URL and a second score if said user downloads digital information from a Web site associated with said URL" in specific combinations recited in independent claims 32 and 35.

Regarding independent claims 33 and 36, the prior art of record do not teach or suggest "said ranking module is in communication with said processor to assign a first score to a first digital image when said processor accesses said first digital image for viewing and to assign a second score to a second digital image if said processor accesses said second digital image for editing." in specific combinations recited in independent claims 33 and 36.

Regarding independent claims 34 and 37, the prior art of record do not teach or suggest "said ranking module is in communication with said processor to

Art Unit: 2173

assign a first score to a first digital audio file when said processor accesses said first digital audio file for playback and to assign a second score to a second audio file if said processor accesses said second digital audio file for editing" in specific combinations recited in independent claims 34 and 37.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
